

PROUD TO BE A PENN STATER

“After having so closely identified with all things Penn State over the past 15 years, the recent events have shaken our beliefs – and those of other alumni – to the core. Simply put, Penn State is way bigger than the alleged actions of a few people. To honor the victims, our goal is to raise over \$500,000 – one dollar for each of Penn State’s 557,000 alumni. Please join us in showing the world what being a proud supporter of Penn State really means.”

— Jerry & Jaime Needel, Bob Troia and Larena Lettow – Penn State ‘98
